Be a Part of the Basie!

In recent years, the Count Basie Theatre has received many accolades one of which is being named a Major Presenting Organization by the New Jersey State Council on the Arts for its history of artistic excellence, programming and public service. The Theatre entertains 200,000 people annually, and these patrons have enjoyed performances by Grammy nominated rock stars, musicians and comedians as well as cultural programs that only a non-profit arts organization can sustain: opera, jazz, ballet, modern dance, independent film and arts education and instruction.

Thank you for supporting the Theatre and *Being a Part of the Basie!*
