

# TAKE YOUR SEAT AND BE A PART OF THE BASIE!

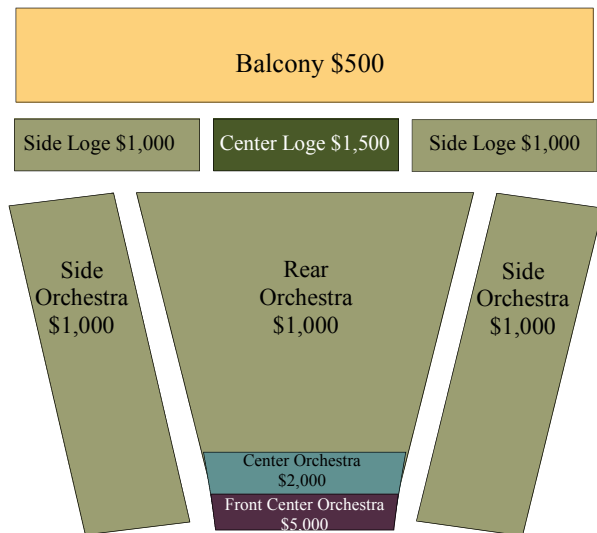

For more than 80 years, the Count Basie Theatre, one of the most historic theatres in New Jersey and an “American Treasure”, has touched millions of lives, first as a movie house and then as a vibrant live performance venue.

Generations have visited the Basie and taken their seats for memorable performances by legends like B.B. King, Tony Bennett, George Carlin, New Jersey Symphony Orchestra and Bruce Springsteen.

In 2004, the Basie began a multi-year phased restoration of the theatre. We have made significant headway with this project, completing the latest phase in October 2008 with the renovation of the auditorium and lobbies. During the restoration, **1,400 theatre seats were replaced and 200 were added** to the balcony, helping return this historic venue to its original grandeur.

You can be a part of this exciting restoration by participating in the **Take Your Seat** campaign at the Basie. With your 100% tax deductible charitable donation, a permanent plaque will be placed on the arm of a theatre seat, engraved with your personal inscription. This can also be a very special gift to celebrate a birthday, mark an anniversary, or remember a loved one in this unique way.
